

Monumental Masons

Families can engage a monumental mason to design and supply a monument or inscription. On your behalf the mason must ensure that the design is approved by the cemetery and obtain the necessary permits before any work commences.

General Information:

- All masonry work proposed is subject to prior approval by the cemetery and all work is to be consistent with Australian Standard, AS 4020 – 1994 (Headstones and Cemetery Monuments) and cemetery guidelines.
- Headstones, monuments or inscriptions must be installed through a monumental mason who is registered to work within Catholic Cemeteries+ Crematoria. A list of registered Monumental Masons is available from the Cemetery Office.
***NB:** Catholic Cemeteries & Crematoria does not endorse or recommend anyone specific Monumental Mason. The Cemetery take no responsibility for your choice of Monumental Mason or any work the Mason does.*
- The Cemetery will only grant a monumental permit with the consent of the grave/crypt Burial Licence owner.
- The Cemetery reserves the right to remove without notice, any unauthorised works, excessive or incorrectly placed monuments.
- The Cemetery is not liable for the future care, maintenance, preservation, conservation or restoration of monuments. Monuments and other memorials arranged directly with a mason remain the responsibility of the Burial License owner.
